for the Hamilton-Wentworth Catholic District School Board's

## Catholic Coaching Program

Achieve your Level 1 National Coaching Certification (NCCP)  
while fulfilling the requirements for a Religious Renewal Credit

The program is free to teachers, E.A.s and E.C.E.s who currently, or plan to,  
coach sports in Hamilton-Wentworth Catholic schools

The program examines how Gospel values relate to, and support, ethical principles of sport,  
including care for player health and safety, coaching responsibility, integrity in sports,  
creating a culture of sportsmanship and respect, and honouring sport

*"This coaching program has allowed me to reflect on my past coaching experiences while at the same time prompting me to seek out areas in need of improvement. This course has also reminded me of the importance of faith in coaching practices and the need to serve as a positive role model for the children. I am so glad that I chose to enrol in this course and feel that I have greatly benefited from it. Thank you so much."*
